

NIRAJ PATIL

B.TECH IN COMPUTER SCIENCE AND ENGINEERING

Gujarat, India | 9724249244 | Nirajpatil020@gmail.com

I'm a computer science graduate (2025) with a strong background in Business Intelligence, and Data Scientist roles. I've built and deployed machine learning models using Python, and I'm skilled in SQL and Power BI for turning data into insights that drive decisions. I'm really passionate about using analytics to tackle complex business challenges and make a real impact.
